

hello.

square¹

our vision.

“A safe and healthy home for all homeowners throughout the United States.”

about.

Square 1 serves the common interest of the homeowner. We adhere to a strict code of professional conduct and strive to educate property owners about the restoration process and underlying issues with their home or business.

Square 1 is ready to assist residential and commercial property owners faced with unwanted restoration work or storm damage repairs. Our innovative turn-key approach speeds up the process in getting a property back to pre-loss condition.

mission.

Square 1 was created to fulfill our goal as a trusted partner in the community and live out the core value of service. Whether giving back to storm damage communities with our insurance restoration expertise or giving back to our surrounding community through partnership opportunities. SQ1 is about bringing communities together by improving homes and lives.
